

Basically Babies is a registered charity helping families in extreme need in Edmonton and Calgary communities who have newborn babies. We offer the gift of a complete first year wardrobe for these infants in the form of a beautiful colour-coordinated, gender and season specific basket filled with clothing, outerwear, blankets, toys, storybooks, sleepers, undershirts, footwear and other baby essentials. We call these practical gifts “layettes”.

At **Basically Babies**, we believe in the value and dignity of each life. We know that our gift of a beautiful layette is one way to communicate this value. **Basically Babies** brings hope and dignity to less fortunate families by supporting them with these simple, basic supplies that will outfit their newborn for an entire year.
